

Scholarship Application

2021-2022

Crescendo Community Chorus has a limited amount of funds available each year to assist families with tuition. At this time, we are only able to offer up to 50% of the registration fee in scholarship funds. Please fill out the information below to help us determine the allocation of funds. We will try to give some assistance to each family in need based on need level and funds available.

All applications must be received by the first week of rehearsals in order to be considered. The Scholarship Committee will inform you of their decision before the second week of rehearsals.

Singer's name(s): _____

Parent name(s): _____

Mailing address: _____

Home Phone: _____ Email Address: _____

My child is eligible for the Free Meal program through the Public Schools.*
