Dear Family/Friends,

Crescendo Community Chorus is a nonprofit organization that offers choral music experiences and opportunities of excellence to all children in the greater Spokane region, helping each singer develop as a musician and as a person. Through rehearsals and performances, we are committed to helping students develop in musical understanding and personal growth, leading to a greater sense of accomplishment and purpose.

Crescendo desires to strengthen the musical appreciation of the vocal arts that children receive in the Spokane community, offering singers many opportunities to learn vocal skills, have rich musical experiences, and grow in self-awareness while working collaboratively as a group and with the community. Your donation to Crescendo Community Chorus will be applied to assist \_\_\_\_\_ (singer's name) for the upcoming season to help offset registration fees.

Crescendo has made every effort to keep registration as low as possible. Registration for the entire year is only \$300 with the option of making two separate payments in the fall and spring of \$150. Will you support a singer today?
